

### **Job Opening/Flagger Description**

ZONE SAFETY has immediate openings for the position of Flagger. We are currently conducting interviews. We are a 24/7 company hours vary every day. There are no set hours.

Flagger will work with construction companies, gas companies, electric companies, and tree service companies, etc. to ensure that automobiles and pedestrians do not interfere with, or pose a danger to, the company's employees and projects. There are no formal education requirements for flagger; however, a high school diploma is preferred. A valid driver's license is required, and employees must maintain likewise throughout employment. Candidates will have a background check done. Candidates must pass drug test and random drug testing throughout their employment. Candidates must become certified in basic traffic safety techniques by attending a training class provided by ZONE SAFETY.

The Flagger must create a safe work zone that ensures that traffic does not cause a threat to the workers. This involves setting up cones and barriers that show traffic where to drive, as well as holding up signs that tell traffic to either stop or to proceed slowly. Flagger must constantly be aware of both the job and traffic activity taking place around them. Compliance with all safety regulations is mandatory. The flagger must be able to work in all weather conditions and stand for long periods of time. Excellent communication skills are a necessity. The ability to lift up to 50 lbs. is required.

The Flagger responsibilities include but are not limited to:

- Setup, maintain and remove temporary work zones including warning signs, traffic cones, and rumble strips according to ATSSA and DOT regulations.
- Load and unload work zone equipment to and from the company vehicle.
- Drive the company vehicle to and from job sites in a safe manner.
- Complete all required paperwork in a timely manner.
- Keep company vehicles clean and orderly, informing management of any safety concerns or vehicle problems.

ZONE SAFETY is an Equal Opportunity Employer who is continually and rapidly growing. At ZONE SAFETY, we respect our employees' hard work and dedication to safety. In return we offer competitive wages, paid vacation, training class, and on the job training.

*All applicants must be able to pass drug screening and background check.  
MUST HAVE VALID DRIVER'S LICENSE*
